

Facing (and creating) the future, together

Congratulations to our successful 2019 CFE candidates!

Baker Tilly Canada is thrilled to congratulate the successful writers of the 2019 Common Final Examination (CFE).

In addition, Baker Tilly is proud to announce one of our successful CFE candidates, Fay Dickinson, placed on the CPA Canada National CFE Honour Roll.

This cohort of financial experts is the next generation in our continued tradition of excellence – demonstrating not only their technical skills and knowledge, but also their tenacity, composure, determination and problem-solving under pressure. By completing the rigorous CFE, our candidates have marked a significant milestone in their professional journeys, moving that much closer to achieving the Chartered Professional Accountant (CPA) designation.

Congratulations to all 57 successful writers for their successful demonstration of their dedication to professional excellence:

Jed Blancaflor (Toronto)
