Congratulations to our 2021 CFE writers

Baker Tilly Canada congratulates all 60 candidates from across the country-wide network who successfully completed the 2021 Common Final Examination (CFE). In addition, we are proud to celebrate Baker Tilly Windsor's Cassandra Piche, who placed on the CPA Canada National CFE Honour Roll.

As a group, and individually, this impressive cohort of successful writers showcased the extensive skills and knowledge they have acquired through study and practice, meeting the rigorous requirements outlined by the Chartered Professional Accountant (CPA) Competency Map. We look forward to the continued success of these exceptional candidates, who are now one step closer to attaining their CPA designation. We encourage them to continue to 'Be True' to their professional ambitions, while making a meaningful impact for their clients and firms across Canada.
